

Thank you for your interest shown in our GAP 2021 program. You can go to our website on www.impactmt.co.za There you will see what we do as a Ministry and what the GAP year program consists of.

Students learn:

- About Missions and God's Commission
- Skills development.
- How to take care of themselves in the mission field or in their future paths.
- Complete a number of non-denominational Biblical courses and end the year with around 15 certificates. Please check our website for the full list of certified courses they will complete.
- About Farming God's Way and will teach it to villages, orphanages and those in need.
- How to stretch their faith and sense of humor physically, mentally and spiritually.
- How to do outreaches as many opportunities will be presented to them.
- They will go on Mission trips locally and, Covid permitting, cross-border.
- We run an Anti-bullying program and students will be taught how to facilitate and present to schools all around SA.
- How to do fundraising to help fund the Mission, country tours and outreach work.
- Complete their Love language, Gods-gifting and Temperament assessments. I hold my Doctorate in Behavioral Sciences and I assess the students to help them to make well-informed decisions for their future.

There are also a lot of **fun activities** such as:

- Hiking, Camping, Crafts workshops, River Rafting, quad bikes, go-carting, caving etc.

As we are an NPO, we do not have bursaries or are in a position to offer a discount. We are still one of the cheapest and most comprehensive GAP year programs and pride ourselves in the quality of our work and what we teach our students.

We shower them with love, show them God’s heart for the Nations and spoil them a lot! If you need help financially, I have attached a request for sponsorship form for you to fill out and present to your families, workplace and church for support. In the past, we have found those closest to you are willing to sponsor or help with this type of GAP year program. Your child will not only learn a variety of skills but will be valuable in assisting communities and those in need.

We, at Impact, have been praying for God to send us His “hand-picked” students, the ones He knows will benefit and be of great value in furthering His Kingdom. I sincerely pray your child is one of them!

Please don’t hesitate to contact me for any further information. You may make an appointment with our offices to view at any time. CHECK OUT – www.impactmt.co.za

“CATCH THE YOUNG ADULTS FOR ME, BEFORE THE WORLD SYSTEM TRAPS THEM” This is the message I received from God about showing Young Adults God’s heart for all Nations. Our children are our future and the world system can easily take them away from their calling in the Lord.
